

INTERNAL COMPLAINTS HANDLING PROCEDURE

Skrill (Paysafe Financial Services Limited)

Our Complaints Procedure

Effective complaints handling is a key part of customer service excellence and we are not afraid to tackle this complex and difficult subject. Every single current and potential customer is important and valuable to us and we believe that they have the right to a fair, effective and courteous service at all times. Therefore, their comments are extremely important to us. We want to know what our customers and people interested in our service think about our performance and the standard of services we provide – not only do they allow us to improve our individual service towards them in terms of quality and efficiency but they also help us enhance our product.

How We Will Handle Your Complaint

Our Consumer Services Team provided with detailed information of the difficulty that has arisen will always aim to resolve the matter to our customers' entire satisfaction fairly, efficiently and promptly.

- Stage 1:** When we have received your complaint you will receive a prompt acknowledgement verbally or in writing within 5 business days. If we receive enquiries via email, we will attach our answer with a unique ticket number that allows every customer to follow up on their complaint.
- Stage 2:** We will then confirm details of the action we have taken. You will be kept informed of the status of the case, however, a final response to your complaint may take up to 15 business days.
- Stage 3:** There may be occasions, however, where a customer is not satisfied with the response they have received. If this is the case, the customer's complaint may be referred to a more senior individual within the area of our Consumer Services Management. Where necessary, the complaint will be referred by the more senior member of staff to an individual in higher authority with a view to resolving the matter.

If You Are Still Not Satisfied

We are committed to resolving complaints whenever possible through our complaints procedures. If a matter cannot be resolved satisfactorily between us, you may be able to refer your complaint to the Financial Ombudsman Service. This would depend on the nature of the complaint and whether within the rules of the Service the person making the complaint is "eligible" to refer the matter to the Ombudsman (within the eligible timeframe of 6 months set by them). Hiring your own Solicitor or a third-party complaints handling firm

We have made our complaints handling procedure open, clear and easy to follow and even though it should not be necessary for you to seek professional help, it is your right to appoint a Solicitor, a third-party complaints handling firm or any other third party to assist you in resolving your complaint.

If you choose to employ a Solicitor, a complaints handling firm, or any other third party as your representative, this will not affect the way we review your complaint. However, please be aware that:

- o Skrill does not charge you to investigate your complaint in accordance with the stages described in this document;
- o Skrill will not be liable for any costs incurred if you decide to employ a Solicitor, a third-party complaints handling firm or any other third party;
- o In the instances where a complaint is upheld and redress is due, Skrill will only make payment to the respective account holder even if they have been represented by a Solicitor, a third-party complaints handling firm or any other third party.
